

'Accessing Ancient Dunwich' is a project bringing the fascinating story of Dunwich and its museum collections to a wider public.

We are inviting you to join a small team of volunteers to take the project forward in 2010 and 2011.

There are two main opportunities for volunteers:

- Digitising museums collections, including artefacts and photographs at Dunwich Museum
- Inputting information onto the Dunwich Museum Research Database on [www.dunwichmuseum.org.uk](http://www.dunwichmuseum.org.uk) which could be carried out at Dunwich Museum or anywhere else with internet access eg your home.

All necessary training and/or instructions will be given.

To register your interest to participate in the Project, please contact:

**Digitisation** - Tim Holt-Wilson [timholtwilson@onetel.com](mailto:timholtwilson@onetel.com)

**Research Database** - Katharine Chant [kchant@dunwichmuseum.org.uk](mailto:kchant@dunwichmuseum.org.uk)

Or leave your details at Dunwich Museum
